FOR IMMEDIATE RELEASE

USB INTERFACE NOW AVAILABLE FOR ARCHIVE DOWNLOADS AND SOFTWARE UPGRADES.

8/25/11, Lambertville, NJ — **NOVUS X-RAY LLC** Traditionally, all archive downloads and software upgrades were accomplished over the network interface.

Now, simply insert your thumb-drive into the USB interface of the x-ray machine and the statistics are automatically downloaded to the thumb-drive. Statistics report files are offered in CSV formats.

Also, if given a new software upgrade, simply download the new application onto your thumb-drive. Then plug your thumb-drive into the USB port of the x-ray machine. The upgrade is automatically uploaded and installed for you.

The result is easy preparation for audits and simplicity of X-ray machines software updates.
